all about me

My name is Ms. Roque, and I am delighted to have the opportunity to work with your child and your family. Enclosed in this packet, you will find the supply list, two summer reading assignments, and the summer math assignments for 2nd grade. Should you have any questions or concerns regarding the provided information, please feel free to contact me via email. I look forward to collaborating with everyone in September.

Wishing you a wonderful and safe summer!

2nd GRADE

2nd GRADE

SUMMER READING (Test)

The Tufts “Hurricane Havoc” by Tanya Ellen

TEST:

Students are required to read "The Tufts Hurricane Havoc" over the summer. During the first full week of school, students will be tested on their understanding of the book.

2nd GRADE

SUMMER READING (PROJECT)

Flat Stanley by Jeff Brown

Project:

This project will be counted as the first social studies test grade. Please read the following pages for project guidelines and details.

If you have any questions on the project please email me.

Welcome to the Adventures of Flat Stanley!

Hello! You have just received a visit from Flat Stanley! Flat Stanley has been sent to you because we know that you will take good care of him and show him a good time.

Here is the history of Flat Stanley:

In the summer of 2024 our incoming 2nd grade class will be reading a book called Flat Stanley by Jeff Brown over the summer. In the story, Stanley is flattened when a bulletin board falls on him. He has many adventures while he is flat, including being able to travel all over because he can be mailed in an envelope like a letter! Our soon to be teacher Ms. Roque gave us a Flat Stanley on our last day of 1st grade to make and take him with us on our summer adventures. I am hoping that each student who receives Flat Stanley will take as many snapshots "photos" as possible for your child's project, so that I will know where Flat Stanley has been over the summer.

Guidelines for Flat Stanley:

1. Flat Stanley must have adult supervision at all times! We want him to return in good shape for his first day of 2nd grade.
2. Please make sure to take photos of the places you and Flat Stanley visited over the summer.
3. Snapshots of you and Flat Stanley's on your summer adventures is required for your project.
4. Project will need to be completed on a 22 x 28 poster board and 5 pictures are required for this project. If you want to include more than 5 photos, you are more than welcomed to.
5. Include under each photo the location of where the photo was taken (City and State) and one or two full sentences on what you and your Flat Stanley did that day.
6. All projects will be due on the SECOND day of the school year.

IMPORTANT:

PLEASE pack Flat Stanley up and make sure he's on his way with you for your first day of 2nd grade! I am looking forward to seeing where in the world Flat Stanley has been! Please follow through with this so that Flat Stanley's maker will not be disappointed. I know this requires some effort on everyone's part and I truly appreciate everyone effort!

THANK YOU all so much for taking good care of Flat Stanley and having such a wonderful sport about this learning activity!

Sincerely,
Ms. Roque
